FOREWORD

I welcome warmly the publication of 'Learning and Growing as the People of God'. I do so because it underlines the importance of the task of exploring and handing on Catholic faith within the generations of family and Church life

This document is the curriculum strategy for Religious Education in Catholic Primary Schools in the Archdiocese of Birmingham. It lays out clearly the steps to be taken in RE at each stage of every term in the Nursery and Primary Years. For the schools it is an essential guide and norm. For families and parishes it makes clear what is being tackled in the RE classes. It provides, therefore, the foundations for improved partnership between school, home and parish, a partnership that lies at the heart of Catholic Education.

Teachers, I know, will welcome this document. It presents them with clear expectations and rich guidance. Much in this document is challenging; and rightly so. Good teachers will know how to select and adapt material so that it suits the children in their care. There is plenty of good classroom material to choose from, in pursuit of this curriculum strategy.

I thank all who have worked hard to produce 'Learning and Growing as the People of God' and I warmly commend it as a document essential for the future of RE in this Archdiocese.

INTRODUCTION

“The task of handing on the faith to future generations is both the privilege and responsibility of the local Church. Its primary purpose is to bring young people to a personal relationship with Jesus Christ. Catechesis aims to draw people into discipleship. Discipleship must always involve not only a personal encounter with Jesus Christ, but a knowledge of Scripture, of what has been declared in the Creeds and defined by the Church.”¹

So Cardinal Hume would introduce the preface to the Curriculum Directory and this remains the context for contemporary RE in Catholic schools. Since the Second Vatican Council, the Church has reflected anew on its catechetical and educational mission both universally and nationally. Through her teaching at the Council, encyclicals and locally, the Church has reflected on its task of handing on the faith to the next generation and helping to form religiously literate young people. There is continuity between the four constitutions of the Second Vatican Council, the Catechism that was published in 1992, the Curriculum Directory in 1996, Diocesan Curriculum Maps in 1997 and this Curriculum Strategy. The first two articulate and reflect theologically on what we as a community have received and believe. The last three attempt to order them so that teachers can share them systematically and progressively with pupils. The four areas of study listed below provide the keys to the Catechism, Curriculum Directory and this strategy:

AREA OF STUDY	CONTENT	SOURCE
Revelation	God's Self-Revelation	<i>Dei Verbum</i> <i>Catechism</i> Part One: The Profession of Faith
Church	Communion of life in Christ	<i>Lumen Gentium</i> <i>Catechism</i> Part One: The Profession of Faith
Celebration	Living the Christian Mystery in worship and prayer	<i>Sacrosanctum Concilium</i> <i>Catechism</i> Part Two: Celebration of the Christian Mystery Part Four: Prayer
Life in Christ	The search for holiness and truth	<i>Gaudium et Spes</i> <i>Catechism</i> Part Three: Life in Christ

Pupils have a right to receive authentic Church teaching and to have a curriculum that draws them into a systematic study of the saving mystery of Christ, which the Church proclaims². This strategy tries to secure the link between what the Church teaches and the classroom by supporting teachers'

short, medium and long term planning. The experience of inspections has shown us that pupils' understanding of the Catholic faith and tradition does not always grow commensurately with other subjects. The skills that they learn in other literary subjects can be applied to RE and pupils should be encouraged to investigate the faith with the same enthusiasm and rigour as other subjects. For RE is never simply one subject among many, but the foundation of the entire educational process. "The beliefs and values studied in Catholic RE inspire and draw together every aspect of the life of a Catholic school...Pupils have a right to receive an overall education which will enable them, in the light of the faith of the Church, to engage with the deepest questions of life and find reasons for the hope which is within them."³

In many Church documents, RE is described as the core subject. It must, therefore, be of a quality to engage pupils' intellect, heart and imagination. This strategy aims to provide a curriculum that will address all three and make RE enjoyable to study. In this way RE will remain a beacon of excellence and contribute significantly to the "catechetical task of the whole school." For some in the classroom, RE will be received as catechesis, deepening and enhancing their personal faith; for others it will be evangelisation, the first time that they will have been presented with the main truths of living faith. However, for all pupils it will be educational, covering a systematic study of Catholic faith and life. Although its educational focus will be formed and enhanced by the vitality of faith, the criteria by which the subject is assessed are educational⁴. To this end, in the months and years ahead RE must be resourced sufficiently to meet the breadth of this strategy.

Finally, to thank Fr. Jonathan Veasey, the co-authors of this Strategy and those who will use it in schools across the diocese. Through your combined ministry, the young Church will come to know more about their identity, purpose and fulfilment⁵ and be guided to that eternal moment where "hope and history rhyme"⁶.

UNIT A

CREATION

ABOUT THE UNIT

This unit is designed to develop the children's appreciation of themselves and the world around them as part of God's creation. It also helps the children to reflect on the need to thank and praise God for his many gifts.

WHERE THE UNIT FITS IN

This unit builds on previous learning in nursery and reception of the story of Creation.

PRIOR LEARNING

It is helpful if the children have:

- prior knowledge of the story of creation
- some knowledge of God creating the world
- the ability to identify things that they are thankful for.

SKILLS

Observation, sequencing, drama, song, psalm writing, prayer writing.

VOCABULARY

Creation, Bible, Psalm, Harvest, St. Francis of Assisi.

ASSESSMENT

At the end of this unit:

Most children will recognise different parts of God's Creation and be able to show appreciation for it. Know and be able to sequence the story of creation. Be able to write prayers for use in a harvest liturgy associated with God's Creation. Know the story of St. Francis of Assisi.

Less able children will identify different things in creation that God has made and know some parts of the story of creation.

More able children will show a greater appreciation of the creation of the world. Identify the need to care and look after God's Creation.

PROGRAMME OF STUDY

C1 Take part in celebrations which express thanks and praise.
R1 Hear and explore in Scripture praise of God in creation and the story of creation as God's work.

L6 Hear scripture passages which reveal God's love, e.g. psalms of thanks.

L8 Hear about and explore signs of God's care and blessings in creation and human life.

TEACHING STRATEGIES

- Children to collect artefacts, pictures and symbols from the created world.
- Hold a class "show and tell" session. Children to talk about what they have brought to school and how it reminds them of the world in which they live and the different things they find in the world.
- Discuss with the children what they think are the most important things in creation and what would happen if we didn't have certain things.
- In the Bible we find an important story which reminds Christians that God has made everything in the world.
- Read with the children the story of the creation of the world. Invite the children to join in with different parts of the story.
- Hold a guessing game where the children have to remember the different things that God made on the different days.
- Sequence the days and events in chronological order.
- Re-enact the story of creation in drama and song.
- Create a class litany of thanks. Each child names the part of creation they most value (e.g. Thank you God for ... the sunshine because, etc.)
- Write each part of the litany on different coloured strips of paper to use in class liturgies.
- Show children, through pictures and produce, that this is Harvest time and that this is a time for celebration and giving thanks to God.
- Introduce the word "Psalm" to the children. Explain that these are special songs and prayers in the Bible that thank God for his special gifts.
- Share with the children Psalm 8 and 139. Enlarge to A3 so that the children can share the text and begin to recognise the elements of psalms.
- List some of the things that God has made. Why are they important?
- What does Psalm 139 tell us about human beings?
- How long has God known us?
- Provide a writing frame for the children to structure their own psalm thanking God for the gifts of his creation.
- God has made so many different things in the world that need caring for and treating with great respect. Ask the children to think about ways in which we can work to care for creation and other human beings.
- Reflect with the children about people and parts of the world that don't have the gifts of God's creation that they enjoy. Link this with some work about Mission Together and CAFOD.
- Celebrate a Harvest Liturgy or Festival using the litanies and psalms created by the children.
- Share with the children the story of St Francis of Assisi and his love of God's creation.
- Read the story of St. Francis preaching to the birds of the air.
- Why do you think St. Francis spoke to the birds of the air?
- What does this story tell us about the world God has made?
- St. Francis wrote a special song praising God for everything he had made in the world: Sun, Moon, Fire, and Water. Share with the children a version of the song.
- Write a class version of St. Francis' song praising God for the different things that God has made. Begin each verse with the words, "Be praised my Lord."

- Know the story of St. Francis of Assisi and his love for God's creation.
- Be able to think of reasons why we rejoice in the gifts of creation.

- Explore with the children why prayer time is important and special for everybody in school.

- Revise and reinforce prior learning about Advent.
- Find out about some of the things that happen in church to celebrate the Season of Advent.
- Children to share some of their experiences of having to wait for something. Create a mind-map to record some of the children's ideas. Is it easy to wait for something? Why is it difficult?
- Explain to the children that during Advent Catholic Christians wait for two things: The birthday of Jesus at Christmas and for Jesus to come into the world again.
- If you were waiting for somebody important to come, what would you do to get ready? What things might Jesus expect us to do to prepare for him to come again?

- Brainstorm ideas about preparations they have experienced, e.g. going to school, getting ready for bed, getting their bedroom ready to be decorated, etc.
- Using baby catalogues get the children to cut out three things a newborn baby needs. Get the children to explain what they have chosen and why.
- Introduce the idea of Mary and Joseph having to prepare for the birth of Jesus by giving the children a basket of baby things both modern and available in Mary and Joseph's time. Children have to select those things Mary and Joseph would have had (very little).
- Create two pictures, one of a pregnant mother and the other of Mary. Each woman is holding a bag and saying "In my bag I have ...". The children can either write or draw to show the differences between then and now.

- Advent is a time when we prepare ourselves for the celebration of Jesus' birthday. Mary and Joseph had to prepare for Jesus' birth. During Advent, Christians try to do their best to live like Jesus as a preparation for the celebration of his birthday.
- Children to work in pairs or in small groups to come up with ideas about what they could do to make this season a preparation for Christmas. Ask the children to consider different preparations at school and at home.
- Create a preparation chart for the classroom and ask the children why they think the things they have chosen might be important as part of their Christmas preparation.

- Children to write prayers about the special preparation they are undertaking. Provide children with a writing frame and encourage them to use words about Advent being a preparing time and why they are committing themselves to certain preparations.

C1 Take part in celebrations which express thanks and praise.

- Children to think about the things that make them happy and filled with joy.
- Revise previous learning about the candles on the Advent wreath and the third candle representing the Third Sunday of Advent. Explain that this Sunday is called "Graduate Sunday" which means "Rejoice Sunday".
- Celebrate the 3rd Sunday of Advent by talking about the pink candle on the Advent wreath symbolising rejoicing because Jesus is near.
- Why is Advent a time of rejoicing? Why do you think Advent is a special time to rejoice? Ask the children to think about what it would have been like if Jesus had not come into the world. Would there be as much joy and happiness in our lives? Create a tape recording of the children's thoughts.
- Children to prepare and take part in a special liturgy to celebrate the third week of Advent and the joy that this season prepares us for, Create prayers of praise and thanks for this season of preparation and the joy that the celebration of Jesus' birth will bring.

UNIT E

CHRISTMAS

ABOUT THE UNIT

This unit is designed to develop the children's knowledge and understanding of Christmas as a celebration of the birth of Jesus. The unit also develops the children's understanding of the importance of the birth of Jesus through the events that happened before and after, and the impact it had on the people involved.

WHERE THE UNIT FITS IN

The unit builds on previous learning about Christmas in Reception. It also build on the previous unit in Year 1 about Advent as a time of preparation.

PRIOR LEARNING

It is helpful if the children have:

- prior knowledge of the Christmas story.

SKILLS

Interpreting pictures and symbols, recall of knowledge, imagining, role-play, technology, prayer writing, sequencing, recording information, research, art, guided meditation, letter writing, brainstorming.

ASSESSMENT

At the end of this unit:

Most children will know and be able to describe the story of the Annunciation, Joseph's dream, the journey to Bethlehem, Jesus' birth in the stable and the visit of the wise Men. They will know that the birth of Jesus was a very important event in the lives of the characters in the story and continues to be important today for Christians.

Less able children will know the story of the Annunciation, Joseph's dream, the journey to Bethlehem, Jesus' birth in the stable and the visit of the Wise Men.

More able children will be able to explain why the birth of Jesus was, and is, such an important event.

VOCABULARY

PROGRAMME OF STUDY

TEACHING STRATEGIES

C4 Become familiar with some ways the Church celebrates major seasons of the liturgical year.

R2 Hear, read and explore and reflect upon a variety of Scripture imagery which speaks of God in the New Testament.

R3 Hear, read and become familiar with the main events, characters and places in the life of Jesus: The Nativity.

- Show the children different pictures and symbols that represent different parts of the Christmas story.
- What event are we remembering and celebrating? From the pictures and symbols ask the children to recall as much as they can remember of the Christmas story.
- Identify the names, characters and places in the story.
- Read the story of the Annunciation together. Discuss the feelings of Mary and Gabriel.
- What does this story tell us about Jesus?
- Ask the children to close their eyes and imagine that they are in Mary's house when the angel first came. Ask the children to imagine what the house looks like and what Mary is doing at the time. What expressions come on her face when the Angel Gabriel arrives? What does the angel look like? Imagine the angel speaking to her. What does the angel say and how does Mary respond?
- Get the children to role-play Mary and Gabriel in pairs.
- Make stick puppets and use them to enact the story of the Annunciation.
- Give the children a picture of Mary and Gabriel with speech bubbles for both and a thought bubble for Mary. Provide a writing frame to support this.
- Imagine you were Mary. What would you have done after the angel left? Who would you have told about your special visitor and what would you have told them?
- Children to write a short prayer to Mary expressing why they are glad that she said "yes" to the angel.
- Get the children to write captions underneath old Christmas cards depicting the Annunciation. Ask them to describe what they see in the picture and why they like it.
- Focus upon the words Gabriel uses to greet Mary. Where do we use those words today? Get the children to write Gabriel's greeting in their own words on angel shaped paper to be placed on the prayer table.
- Share with the children the dream of Joseph. Role-play the dream.
- What was Joseph asked to do by the angel? What would he have had to do to look after Mary?

- Teacher and children to retell the story of the birth of Jesus. Begin with the journey from Nazareth to the birth of Jesus in the stable at Bethlehem.
- Revise with the children the preparations that Mary and Joseph would have made for the baby.
- Give the children a variety of pictures from which they can select the things they think Mary and Joseph would have taken with them.
- Write a list of the things Mary and Joseph would need for a journey (e.g. food, bedding, clothes, etc.)
- Discuss how the journey was made. What alternative transport could they have used? What would they use today?
- Discuss the arrival in Bethlehem and why there was nowhere to stay.
- Imagine you were the Inn-keeper. Write your story about Mary and Joseph looking for somewhere to stay. Provide the children with a writing frame to complete this.
- Using old Christmas cards or pictures get the children to sequence the story and to write captions for each picture.
- Explore with the children some of the thoughts and reactions of the different characters that turn up in the story of the Nativity.
- Children to imagine that they are in the stable with Mary, Joseph and the baby Jesus. Describe the scene, what does the stable look like? What do Mary and Joseph say to you? What does it feel like to be standing in the middle of this very important scene? Share your reflections together.

- Get the children to find out the events surrounding their own birth by sending home a fact file for the parents to fill out. Include details such as where, when, what time, who was there, what did people say, who chose the name, etc. The children can then share their own birth stories.
- Using the same fact file get the children to complete it in pairs in the role of Mary and Joseph.

LEARNING OUTCOMES

C4 Know the basic meaning of Christmas.

FURTHER DEVELOPMENT

Begin to display in the classroom different signs and symbols associated with the Feast of Christmas.

Create a class display of pictures of the Annunciation. Pray the Hail Mary as part of class prayers and remind the children that part of this prayer is found in the story of the Annunciation.

Use a map to highlight Nazareth and Bethlehem. Why do the children think we call the land of Jesus' birth the Holy Land?

Find some images of the birth of Jesus from other cultures. Learn a Christmas hymn from another culture.

Invite a midwife or an expectant mother to talk with the children about the birth of a baby today and the care that it needs.

Make a class display of the similarities and differences between the birth of Jesus and the birth of a baby today.

R2 Hear, read and explore and reflect upon a variety of Scripture imagery which speaks of God in the New Testament, stories of significant people.

L6 Hear Scripture passages which reveal God's love.

- Brainstorm to find out what children already know about the life of Jesus. What did he do? What did he say? Who did he spend time with. What did he teach us about God Our Father? Create a mind map to record information.
- Introduce the idea that part of Jesus' role was to teach people about God and about how to live their lives and that he often did this by telling stories called parables. Explain to the children that a parable is a special story with an important message.
- Share the story of the Good Samaritan with the children.
- In groups children to act out the story of the Good Samaritan.
- In groups complete a fact file/character profile on one of the characters from the story. As a class discuss the findings of each group.
- Present the story in jumbled paragraphs. Children to use arrows to show the sequence of the story.
- Prepare a large piece of paper which says "In the story of the Good Samaritan Jesus is telling us...". Put this in an accessible place with pencils and post-its nearby. As the children come to an understanding they can post their idea on the paper.
- What does the parable teach us about right and wrong actions?
- How do you know that what the Good Samaritan did was a right action?
- What would have happened if he had failed to look after the man?
- Imagine that you are the man who was set about by the robbers. Tell your story to the rest of the class. Invite the children to ask you questions about what happened.
- Jesus told the people who heard the parable to go and live like the Good Samaritan. Children to think about different things that they can do in their daily lives to be more like the Good Samaritan. Why do they think it might be important to be a Good Samaritan for others?
- Create some pictures of the Good Samaritan and speech captions for the children to fill in their ideas of how they can take on this role today.
- Share the story of the Prodigal Son with the children.
- In groups prepare a question to ask one of the characters (e.g. Why did you spend all the money? Do you like your brother? etc.)
- Hot seat the different characters letting different children take turns in being the different characters.
- Write a list headed good points and bad points for one of the two sons in the story. This can be done individually, in pairs or in groups.
- Prepare a large piece of paper which says "In the story of the Prodigal Son Jesus is telling us..." Put this in an accessible place with pencils and post-its nearby. As the children come to an understanding they can post their idea on the paper.

The unit will also explore the choices that children make, that these can be good or bad and the consequences that arise from them. The unit will also develop the children's understanding of the need to say sorry when bad choices are made.

WHERE THE UNIT FITS IN

This unit builds on work in Nursery and Reception about saying sorry and asking for forgiveness.

PRIOR LEARNING

It is helpful if the children have:

PROGRAMME OF STUDY

TEACHING STRATEGIES

L1 Recognise love shown to them and to explore opportunities to show love towards others.

Ch3 Opportunities today to live and share life following the example of Jesus.

C6 Hear and explore Gospel Accounts of how Jesus gave individuals the chance to change.

L2 Hear about, recognise and explore ways in which they are free to choose.

- Share with the children some stories about forgiveness being given and times when forgiveness was not shown.
- Explore with the children the importance of being a forgiving person.
- What does it feel like to be forgiven? When have you needed forgiveness? Have you ever found it hard to forgive somebody?
- Revise the Parable of the Prodigal Son and how that parable tells us that God is always forgiving.
- Divide the story (presented either in pictures or text or both) onto separate cards. In groups/pairs get the children to hold up the part of the story where someone makes a bad decision, where someone says sorry, where forgiveness is shown.
- Discuss the story in detail. Which characters do something wrong? What do they do? Are they both sorry for what they do?
- Imagine you are the older brother working in the fields. What would you say to your father when you found out that your younger brother was back? Would you be angry? Why?
- Imagine your meeting with your younger brother, will you be as forgiving as your father?
- Share the story of the stoning of the sinful woman, *John 7:53* (use a text which has been modified), with the children.
- Discuss the story. Why was Jesus' reaction unusual? What would the crowd have thought?
- Role-play the story.
- Prepare questions in order to Hot Seat Jesus, the woman, the crowd, the disciples.
- Have pictures of all the characters including the disciples with speech bubbles saying "I felt when I first saw the woman", "I felt when Jesus spoke to the crowd." Have a word bank available so that children can select appropriate words, e.g. angry, ashamed, astonished, etc.
- Explore with the children the choices they have to do something that is right or wrong.

- Reflect with the children on the consequences of their wrong choices.
- Introduce the word "sin" to describe those things that people do or fail to do that are wrong.
- Give children a scenario where someone has to make a choice (e.g. a playground situation). Then give them different options which are placed in different areas of the classroom. The children go and stand by the option they think the person should take. The different groups can explain why they chose that particular option. Repeat this activity using different scenarios making the choices subtler each time.
- Prepare a flip over book where one extra piece of information is revealed on each page, e.g. Pg.1 David was being very naughty in class. What should Miss Smith do? Pg.2 David's Nan went into hospital last night and David hasn't had any sleep and no one's told him what's happening. What should Miss Smith do?
- Give children pictures of real life situations where children can illustrate an appropriate conclusion.
- To conclude this part, provide children pictures of real life situations where forgiveness needs to be given. Provide them with speech bubbles with captions. The speech bubbles should contain phrases like "I'm sorry", "Forgive me", "I forgive you" to stick on the appropriate characters.
- Let the children draw pictures with a written caption of situations from their own lives where they have made bad and good choices.

LEARNING OUTCOMES

L1 Of opportunities to give and receive love.

ABOUT THE UNIT

This unit is designed to develop the children's knowledge and understanding of Lent as a time of change and of growing to be more like Jesus by following his example. In the unit the children will explore various aspects of Jesus' message and ways in which Christians can apply these to real life situations.

WHERE THE UNIT FITS IN

This unit builds on previous learning about Lent in Reception.

PRIOR LEARNING

It is helpful if the children have:

- prior knowledge of Lent as a period of time in the Church's year
- some prior knowledge of ways to follow Jesus' example.

SKILLS

Discussion, prayer writing, recording information and ideas, recall of knowledge, listening, being quiet, sitting still, technology, brainstorming, imagining, hot seating.

VOCABULARY

Lent, Jesus, change, Prodigal Son, Zacchaeus, Jericho.

ASSESSMENT

At the end of this unit:

Most children will know that Lent is a special season in the Church's year when we try to change and grow to be more like Jesus by following his example more closely. They will know some of the sayings of Jesus and identify some ways of applying them to real life situations. They will also know that Jesus, in his words and action, gave people a chance to change, and that Lent is a special time when we too are given that same chance.

Less able children will know that Lent is an important time during which we think about trying to do what Jesus said and did.

More able children will understand that following Jesus' example means listening to his words and learning from his actions and will be able to identify ways of doing that in their own lives. They will have a greater understanding of what it means to change and will be able to identify ways that they themselves can change.

PROGRAMME OF STUDY

TEACHING STRATEGIES

C4 Become familiar with some ways the Church celebrates the major seasons of the liturgical year.

Ch1 The way Jesus proclaimed the Good News by what he said and did.

R2 Hear, read and explore and reflect upon a variety of Scripture imagery that speaks of God in the New Testament.

- Revise the name of the liturgical Season of Lent.
- Create class banners proclaiming the beginning of this Season.
- At the start of Lent give each child a cross, divided into 40 squares. Each time they carry out an act of kindness or say a prayer they can colour in a square in purple.
- Have a large 40 square grid on display. Each day record the name of a child who has acted as Jesus asks.

- Explain to the children that during Lent Christians try to follow Jesus more closely. They listen to his words and follow his example.
- Share with children a range of the sayings of Jesus which can help those who share his life today.
- Include: "I am the light of the world." "Love your enemies." "Love one another as I have loved you." "Whatever you do to the least of these people you did to me." "Let the children come to me."
- Write these sayings of Jesus on large strips of paper and display with pictures around the classroom.
- Reflect with the children on the differences between light and darkness. Make lists of words. What can we do in the light that we can't do in the dark?
- If Jesus is the light of the world, how can his light help and guide people? What can Jesus help people see? What can he show people by his example?
- Children to write prayers on candle cut out cards. Guide the children with their writing, using "Jesus you are the light" as a starting point.

- Reflect with the children on what it means to love somebody.
- Children to think of family experiences when love is shown to them or experiences of love and care show in school.
- Explain to the children that Lent is a time when we try and show love and care by doing more to help those in real need.
- What did Jesus mean when he said, "Love one another as I have loved you?" In what ways do we experience the love and care of Jesus?
- Remind the children of the work of Father Hudson's Society, CAFOD and Mission Together. Explore the idea of a Lent fast day, when we give up something and share the money we have saved with those who are very poor or in need.
- Children to write Lenten promises based around the words of Jesus to love one another and to explain why they have chose this particular promise for Lent.

- Jesus said: "Whatever you do to the least of these people you did it to me." What do you think he meant by these words? What does this tell us about the way in which we should treat and respect people?
- Create statements with the children. "I can see Jesus when ...". These could be shared in liturgy or used throughout the season of Lent to reinforce learning.

- Jesus said: "Love your enemies." Explore with the children some of their own experiences of falling out with each other and being unkind. Alternatively tell a story about people falling out and the making up. Why do you think Jesus would want his disciples to do their best to be respectful and kind to all people?

- Children to recall the story of Jesus and the children. Create a role plays of this story in small groups.
- Children to imagine that they were amongst the children who came to Jesus. What would they tell him? What do they think he might say to them? Children to write or record on tape their thoughts and reflections.
- Explain to the children that times of prayer are opportunities to spend time with Jesus. Use some quiet time for children to explore the idea of talking to Jesus and listening to him.

LEARNING OUTCOMES

C4 Know the basic meaning of Lent.

Ch1 That Jesus' life and mission is the Gospel (Good News)

R2 That Scripture stories reveal and hand on the Good News about God and contain messages about life; that Jesus reveals the Good News of God his Father.

- Know the name of the liturgical season Lent.
- Know that Lent is a special season when we try to follow Jesus more closely by listening to his words and learning from his actions.
- Be able to reflect on the words and actions of Jesus and apply them to real life situations.

FURTHER DEVELOPMENT

Whole school liturgy to bury the Alleluia. Classes take in turn to keep it safe.

Reflect with the children on poverty and need being something that is found in the local community as well as in other parts of the world that are poor.

Create a display of the children's statements surrounded by pictures of Jesus.

continued...

PROGRAMME OF STUDY

C6 Hear and explore Gospel accounts of how Jesus gave individuals a chance to change.

Ch2 How people who heard the Good News of Jesus began to share a way of Life.

TEACHING STRATEGIES

- Make a prayer dice which the children can take to use at home with their families.
- Explore with the children the idea of Lent as a time to change to be more like Jesus.
- Share with the children the parable of the two sons. Which son really did what his father wanted? Explore the part of the parable, which indicates the change that took place.
- Share with the children the story of Zacchaeus.
- Brainstorm as many words as possible to describe the type of person that Zacchaeus was before he met Jesus. Create with the children some sentences which might indicate the way he spoke to people and what he did.
- Children to imagine they were somebody who lived in Jericho and they had to pay taxes to Zacchaeus. Role play the person and ask lots of questions about what they thought of Zacchaeus.
- Why do you think Zacchaeus changed? Why did meeting Jesus make such a big difference to Zacchaeus?
- What were the signs of his change? How would people respond to him now?
- Make a "change" box with the children where they insert words and pictures that reflect some of the changes they might want to make in their own lives. Use this as a source of reflection during collective worship. Or a reconciliation liturgy.

LEARNING OUTCOMES

C6 That Jesus brings the Good News of God's love and forgiveness; that God's love helps people to change and to choose what is good.

Ch2 That the Church is the community which continues Jesus' mission to proclaim the Good News to the whole world.

- Know that Lent is a season of change.
- Hear and talk about stories of Jesus giving people a chance to change.
- Take part in prayer celebrations about Lent as a season of change when we try to follow Jesus more closely.

- Share with the children different stories of the call of the fishermen, Matthew and the other disciples.
- Make finger puppets to act out the stories.

- What does this tell us about the way Jesus shared his life with his friends?

- Many people's lives were changed by their meeting Jesus. Children to recall as many stories about changes that took place in different people's lives (e.g. Disciples, sick, the Feeding of the Five Thousand, the Wedding at Cana, etc.)
- Create before and after pictures with captions showing the change Jesus made to individual lives.

- Even today people's lives can be changed when they try to follow Jesus. They often try to live in a different way to be more like Jesus.
- Explore with the children the impact that Jesus has on their own lives.
- Create pictures and captions to express their own thoughts about the importance of Jesus.
- Children to create portraits of the disciples to include symbols which represent the disciple (e.g. Simon Peter would have fish and boats, a cockerel and a rock).
- Children to create a portrait of themselves as a disciple. What symbols would you choose to represent yourself.

UNIT M

FOLLOWING JESUS TODAY

ABOUT THE UNIT

This unit is designed to develop the children's knowledge and understanding of what it means to follow Jesus today. The unit develops the children's understanding of how, as followers of Jesus, we belong to the Church and the different ways that the Church, and the different members of it, follow Jesus.

WHERE THE UNIT FITS IN

The unit builds on previous learning about Baptism in Reception and the Mass in the Families and Celebrations unit in Year 1.

PRIOR LEARNING

It is helpful if the children have:

- some prior knowledge of important times and events in the life of the Church and ways in which the Church celebrates these
- some prior knowledge of the meaning of Baptism
- some prior knowledge of the Mass.

SKILLS

Discussion, recall of information, interpreting symbols, brainstorming, questioning, research, thinking, art, ICT, map work, creating and interpreting tables.

VOCABULARY

Holy Day, Jesus, Christmas, Easter, Ascension, Pentecost, Feast, Resurrection, Sunday, Mass, Baptism, Easter, Church, Family of God, priest, vestments, CAFOD, Advent, Christmas, Presentation, Lent.

ASSESSMENT

At the end of this unit:

Most children will understand that they belong to the Church through Baptism and that this means being part of God's family and a follower of Jesus. They will be able to describe signs of their belonging to the Church and ways in which they, and other members of the Church, follow Jesus and celebrate his life.

Less able children will know that they are part of God's family through Baptism. They will be able to describe some ways in which they, and others, follow Jesus today.

More able children will have a greater understanding of what belonging to the Church means. They will understand that they are 'descendants' of the first disciples.

PROGRAMME OF STUDY

TEACHING STRATEGIES

C2 Recognise the place and value of celebrations in family, school and parish.

C3 Hear about the Church's celebration of Sunday as a special day.

Ch3 Opportunities today to live and share life following the example of Jesus.

Ch2 How people who heard the Good News of Jesus began to share a way of life.

- Introduce children to the term "Holy Day".
- Recall with the children special days in the year when we celebrate the life of Jesus (e.g. Christmas, Easter, Ascension, Pentecost, etc.)
- Revisit the story of the Resurrection. Which day of the week does the Resurrection take place on? Numerically which day of the week is Sunday?
- Explain to the children that Sunday is the Christian celebration of the Resurrection of Jesus from the dead.
- Recall previous learning from the Celebrations Unit about the reasons people go to Mass.
- Explain to the children that Sunday Mass reminds us that Jesus is alive and is with us today.

- In Reception the children learned that Baptism is a beginning and a welcome into the Church. Using photos explore what takes place at a Baptism. Focus the children's attention on the clothing.
- Why are clothes important to us? What do they do for us?
- Explore the Baptismal clothing. Explain to the children that the white garment worn at Baptism is symbolic of God's love and care.
- Explain that white is the colour of Easter and that Baptism is a celebration of Jesus' new life.
- Talk to the children about the importance of water. What do we use water for? What would we do without it?
- Explain that the water poured over the head at Baptism is a sign of God giving the person being Baptised a special share in his life.
- Leave a bowl of water on a white cloth on the prayer table. Surround this area with the children's names written in white against a coloured background.

- Brainstorm with the children the meaning of the word "Church". How many different words associated with Church can the children come up with?
- Explain to the children that the term Church means more than a building and is used to describe the Family of God.
- Explain to the children that the disciples were the first members of the Church.
- Who is the Church now? Write a list together.
- Discuss with the children how people who belong to the Church try to follow Jesus (e.g. meeting together, praying together, hearing and spreading the Good News).
- Invite a priest to talk to the children about the way he tries to follow Jesus.
- Research some of the important roles of the priest. Learn the names of the different vestments that he wears during the celebration of Mass.
- Create a simple job description for a priest.
- Why do you think we need priests?
- Look at some pictures of the celebration of Mass and the different jobs people are doing. Discuss the importance of these different roles.
- Paint pictures showing all the different jobs done during Mass. Write captions for each painting. Display them in school or Church.

- Refer to Jesus telling the disciples that they must look after the poor/people who need help.
- Use materials from organisations such as CAFOD to explore the work being done both abroad, nationally and locally for those in need. The Internet provides much information.
- Locate on maps the places where CAFOD is working.

- Find out what and how much money the school and parish have raised? Present it in a simple table that the children can interpret.
- Try to establish some roles of responsibility the children could take in and around the Church, e.g. creating a prayer focus, giving out hymn books, litter picking.

- Revise special times when God's family celebrates together (e.g. Advent, Christmas, Presentation, Lent and Easter).
- Make a comparison table to explore what is similar and what is different about these celebrations, e.g. what colour is used, what symbols are used, what special prayers are said, what particular hymns are used etc.
