

Sacred Heart Catholic Primary School

Greys Hill Henley-on-Thames Oxfordshire RG9 1SL

Dear Parents/Carers

Following our recent Ofsted Inspection which took place on 5th-6th October 2016, I am delighted to announce that Sacred Heart School has been given an overall effectiveness rating of "Good". I believe this rating accurately reflects the success and hard work of everyone involved in the school.

I have attached a copy of the full Ofsted Report. A summary of the key judgements are shown below:

- | | |
|--|--------------------|
| • Effectiveness of leadership and management | Good |
| • Quality of teaching, learning and assessment | Good |
| • Personal development, behaviour and welfare | Outstanding |
| • Outcomes for pupils | Good |
| • Early years provision | Good |

I am extremely proud of what the pupils, staff and governors have achieved since our last inspection in 2014. I would also like to thank you, the parents and carers, for your continued support and commitment to our flourishing school and for so many of you taking the time to complete the ParentView Survey during the inspection, in which you gave such positive feedback about the school.

If you have any questions about the report, please don't hesitate to speak to me.

Yours sincerely
